“One Hour” Race Walks

Sunday, April 21, 2024

The Dome, Louis Riel High School, Bearbrook Road, Ottawa

The Dome has a four-lane 400m indoor track (Mondo). Changing and shower facilities. Free parking.

Schedule: **1245:** “Quarter Hour” (15 minutes) (Athletes of Junior Age or younger)
1315: “Bytown One Hour” (mixed; open, Common Sense Judging (CSJ) Rules, attached)
1445: “Canadian One Hour” (mixed, AO sanctioned, World Athletics (WA) judging)

*Depending on the entries received, we reserve the right **either** to “seed” the One Hour races by time, with CSJ and WA judging in both, **or** to combine the two races into one at 1445. The faster athletes competing under WA rules will compete at 1445. We also reserve the right to combine “Quarter Hour” competitors with the “Bytown One Hour” race. We will announce the final sections by noon (ET) on Wednesday, April 17.*

What’s a “One Hour”? You walk as far as you can in exactly One Hour. Time announced at 20, 40, 55, and 59 minutes (and at 14 minutes for the Quarter Hour). Your lap counter will give you a marker as you enter your last laps. When the race ends, drop your marker at the point you have reached. This point is measured and added to the number of full laps completed to determine your final distance. Unofficial splits provided for each 400m lap and at 5km. Official times at 10km.

Can I go further than One Hour? If you pass 9600m in One Hour, you may continue to 10000m and get an official time. But it is a One Hour race, so **everyone** must drop their marker at 60:00.

Post-race Awards Reception: 1600, adjacent to the track.

Entry: Deadline: Tuesday, April 16, 2024; 1600 (ET). **No Day of Race Registration.** Fee: \$30.00 (\$5.00 for the “Quarter Hour”). Please e-mail entries to roger@bytownwalkers.ca. Subject line “One Hour Entry”. Include name, address, phone number and date of birth.

In your entry, please also indicate if you are attempting a provincial or national record (open or masters) at 10000m. We can arrange to have the required “stopped watches” only if we know about your record attempt before finish line officials are assigned.

Your entry will be confirmed by email. You complete the actual form and waiver when you arrive. You can pay the fee by e-transfer to treasurer@bytownwalkers.ca or on arrival with cash or club cheques to “Bytown Walkers”.

Accommodation: The Dome area is not well served by hotels. If you would like hotel suggestions, please contact the Race Director.

Race Director: Roger Burrows: 613-745-5433; roger@bytownwalkers.ca

Directions: The Dome is in Blackburn Hamlet, in Ottawa’s east end. From outside Ottawa, you will likely be on Highway 417. You then need Highway 174 east (to “Orleans/Rockland”). From southern Ontario, go east through Ottawa to the St. Laurent area and bear left onto the 174. From Montreal, take exit 113A to the 174.

From Highway 174, exit at Montreal Road and turn right. Go 500m to the next traffic lights. This is Bearbrook Road. Turn right and go 1km up a hill to the lights at the top. Turn left into Louis Riel High School, and proceed past the school to the Dome. *(Do not stop at the small dome-like object to your right halfway up Bearbrook. This is not our Dome. Keep going to the lights at the top.)*

Common Sense Judging (CSJ) Rules

- (1) Walking is defined by unbroken contact with the ground: one foot must be seen by the judges to be in clear contact with the ground at all times.** (“Clear contact” is when each foot is seen to remain on the ground as the body moves forward. In running, the foot attempts to leave the ground immediately after contact.)
- (2) The leg is seen by the judges to be straight or significantly straightened, at the knee when the foot touches the ground.** (In running, the leg is bent at the knee when it hits the ground in order to provide the instantaneous drive back into the air. The absolutely straight leg of strict Race Walking is not required in “common sense” rules, since it requires a skill that people need time to acquire. But everyone can try to straighten it.)
- (3) Above all, the idea is to walk. Attempts to adapt jogging to this “common sense” definition look contrived, are obvious to judges, and will be penalized. Penalties may include disqualification.**

2020	<i>COVID Year 01 One Hour held, but as a “virtual” activity held very informally, under “lockdown, no-gathering” conditions.</i>		
2021	<i>COVID Year 02 One Hour held, on the heritage “postal event” model. Participants competed on their own, under rules set by Bytown, submitting results for the overall “intercontinental” compilation. The event had forty-one (41) participants, including one Quarter Hour, from four countries (Canada, plus Argentina, Ireland and Malaysia). Had those results been at a single event, we would have added eight new names (five men and three women) to the all-time list. We celebrate those performances, especially the stellar representation on the UBC track from the elite group in Vancouver. But we record them in italics following the historical list, which remains based “under one roof” in Ottawa.</i>		
2022	2 sections, 22 competitors	(11- WA, 11 – CSJ)	08 May
	<i>(outdoors at Terry Fox Track, Mooney’s Bay, in conjunction with AO’s “RW Summit”)</i>		
2023	2 sections, 24 competitors	(16 – WA, 8 – CSJ)	16 April
2024	21 April

“One Hour” Multi-Year Competitors (8+), since the inaugural Race in 2008

<u>Races</u>	<u>Name</u>		<u>Years</u>
13	Darrell Menard	(BTW)	2008 – 2011, 2013 - 2017, 2019, 2021 - 2023
12	Sandy Archibald	(BTW)	2008 – 2010, 2012-2013, 2016-2019, 2021-2023
10	John Gardam	(BTW)	2012 - 2018, 2021-2023
	Anne de Thy	(ORW)	2009, 2012-2013, 2015-2018, 2021-2023
9	Angela Quinlan	(BTW)	2008, 2010-2013, 2016-2019
	Lily Whalen	(ORW)	2008, 2011-2018
8	Sharon Chisholm	(BTW)	2008 – 2013, 2017, 2019

The “multi-year” criterion is to have participated in at least 50% of all One Hour races, excluding the COVID-affected, Bytown-only event in 2020. The 2021 “intercontinental” event, while still virtual, was open to all.

Before the 2024 event, “at least 50%” = 8
